# EMPOWERING BRILLIANCE **BROOKFIELD'S EDUCATIONAL JOURNEY**

---

Brookfield International School, with the inspiring tagline "Discover your genius," stands as a beacon of educational excellence in the heart of New Chandigarh. The school's aim is to guide students into the twenty-first century with boundless imagination and unwavering confidence.

As a Co-educational Secondary School, Brookfield provides a unique platform for children to develop their potential to the fullest. The institution follows the Central Board of Secondary Education (CBSE) pattern, spanning from pre-nursery to the 12th grade.

# NURTURING **EXCELLENCE** IN EDUCATION

## SPARKLING **EXPERTISE** **IN LEARNING**

At Brookfield, we adopt a holistic approach to teaching and learning which is imperative for the physical, emotional, intellectual, creative and social well-being of children, and to develop them as well-rounded individuals.

### **Playful Primary Wing:**

It is believed that play is the greatest form of learning. Our students learn while they play. We bring to them safe and open ended toys that help develop their intellectual and cognitive skills.

### **Vibrant Junior Wing:**

Brookfield fosters a joyful atmosphere and sparking excitement for learning with theme based classes. Through innovative teaching, it cultivates enthusiastic young minds, promising happiness while nurturing their curiosity.

### **Scholarly Senior Wing:**

For our senior students' academic excellence thrives with diverse labs. These enriching facilities empower students, providing hands-on learning experiences that amplify understanding across various subjects.
